

WIND-UP WALKERS

JUQUETES DEL WIND-UP

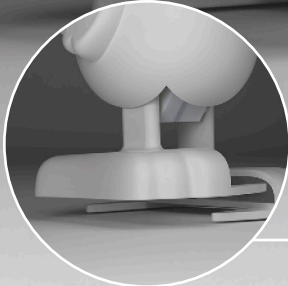

Experience life as a '60s child with Wind-Up Walkers. Containing no electronic components, these mesmerizing gizmos will provide a full afternoon of enjoyment. Plus, even after mechanisms fail, many choking hazards will offer continued excitement for kids and parents alike.

Plastic housings are impregnated with trace amounts of lead and PCBs for authentic toxicity.

Hand assembled in sweatshops, the gearbox comes with a ten-use, no-fail guarantee.

No-tip feet travel equally poorly over any Formica® or linoleum surface.

This facetious piece is based on a wind-up toy by United Feature Syndicate Inc. It is part of an exercise to demonstrate capabilities of 3D modeling. Formica is a registered trademark of The Diller Corporation. www.LeftRightJeff.com
